Ruby Receptionists Earns #38 on List of 100 Fastest Growing Companies

Live Virtual Receptionist Service Achieves 70% Growth in Revenue

(Portland, OR — June 24, 2011) — Ruby Receptionists announced that it made #38 on the *Portland Business Journal's* 2011 list of the ["100 Fastest Growing Private Companies in Oregon."](#) The *Portland Business Journal* announced the ranking at a reception on June 23, and almost two-thirds of Ruby Receptionists attended the event. Rankings are determined by economic and employee growth over a three-year period, and this is the fourth consecutive year that Ruby Receptionists has made the list.

"We're thrilled to have made the list of '100 Fastest Growing Companies' for the fourth year in a row," said Jill Nelson, the president and founder of Ruby Receptionists. "I'm extremely grateful that we have been able to sustain this kind of growth during a down economy. It's all thanks to our amazing clients and our exceptionally friendly and professional employees. They really do everything they can to wow our clients, and I'm proud to be able to work with such talented people on a daily basis."

In addition to making the "100 Fastest Growing Companies" list, Ruby Receptionists has been recognized for both its dynamic culture and sustainable business practices by *Oregon Business Magazine*; earlier this year, the publication named Ruby the #2 "Best Medium-Sized Company to Work For" as well as one of the "Best Green Companies to Work For" in Oregon. In 2010, Ruby was featured on Portland's NBC affiliate, KGW News Channel 8, in a business feature recognizing local "Risk Takers" — women-owned businesses that have expanded despite the economic downturn.
